

# Fiberglass Channel

|   | Part Number | Part Description  |
|---|-------------|---|
| 1 | RC8001      | 10" Fiberglass Channel pre-drilled (8001-031 thru 8001-043) |
| 2 | RC8002      | 3" Fiberglass Channel pre-drilled (8002-031 thru 8002-043)  |

# Channel Spacer

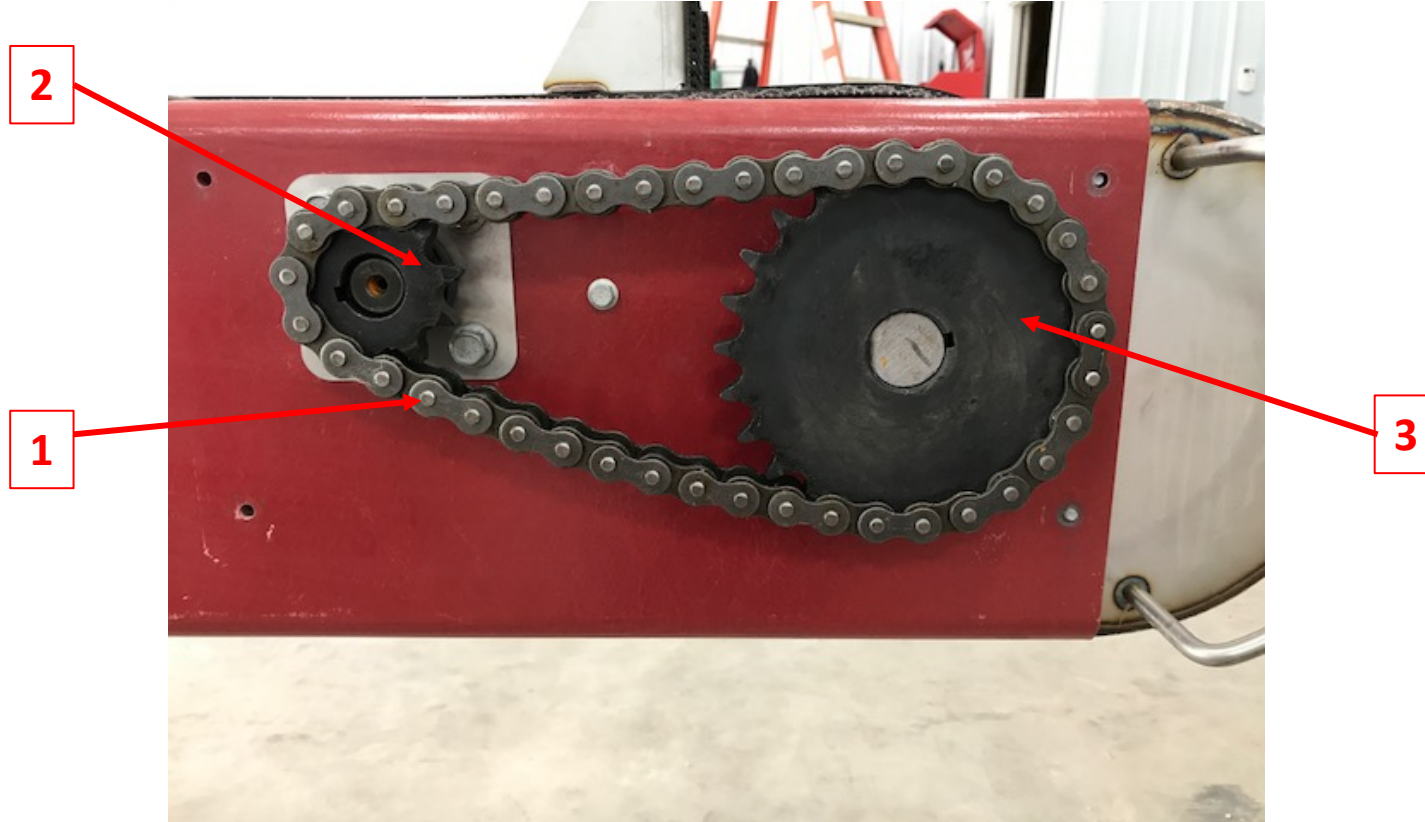

|   | Part Number | Part Description                |
|---|-------------|---------------------------------|
| 1 | RC8040      | Nylon Fiberglass Channel Spacer |

# Bearing and Holder

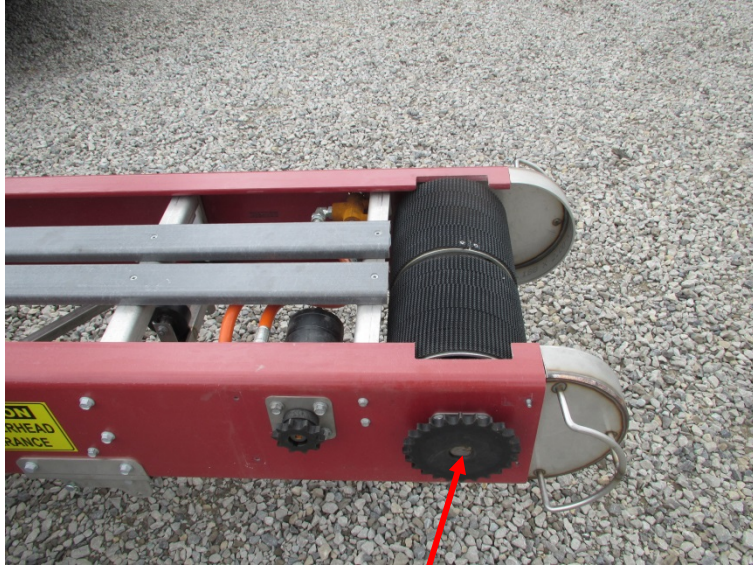

|      | Part Number | Part Description                                       |
|------|-------------|--|
| 1, 2 | RC8055      | Head Pulley Bearing & Bearing Holder                   |
| 1, 2 | RC8060      | Tail Pulley Bearing & Bearing Holder w/ adjusting hole |

# 60 Reg. Chain

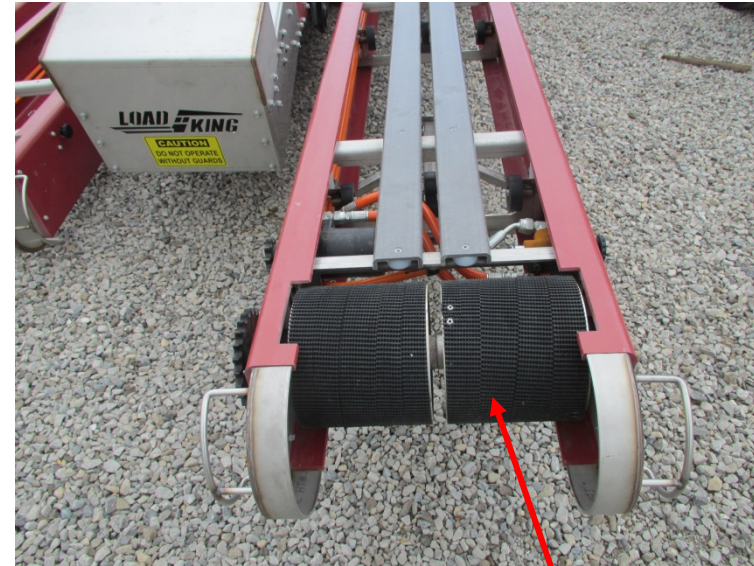

|   | Part Number | Part Description                 |
|---|-------------|----------------------------------|
| 1 | RC8005      | 60 Reg. Chain w/connector - 2.5' |
| 2 | RC8006      | 60BS10HTX1 Motor Sprocket        |
| 3 | RC8007      | 60BS24HTX1 1/4 Motor Sprocket    |

# Head Pulley Drum and Shaft

1

2

|   | Part Number | Part Description                        |
|---|-------------|---|
| 1 | RC8056      | Head Pulley Shaft (not sold separately) |
| 2 | RC8056      | Head Pulley Drum w/belt lagging         |

# Hydraulic Motor

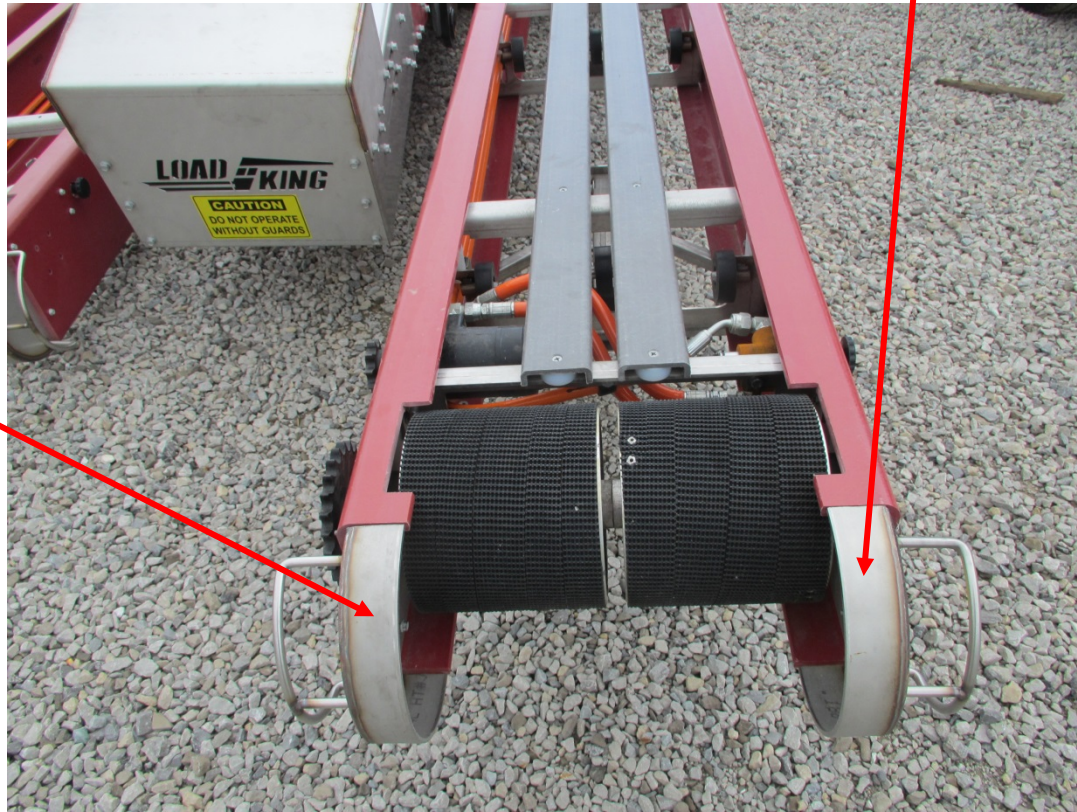

|   | Part Number | Part Description |
|---|-------------|------------------|
| 1 | RC8010      | Hydraulic Motor  |

# Hydraulic Motor Sprocket Cover

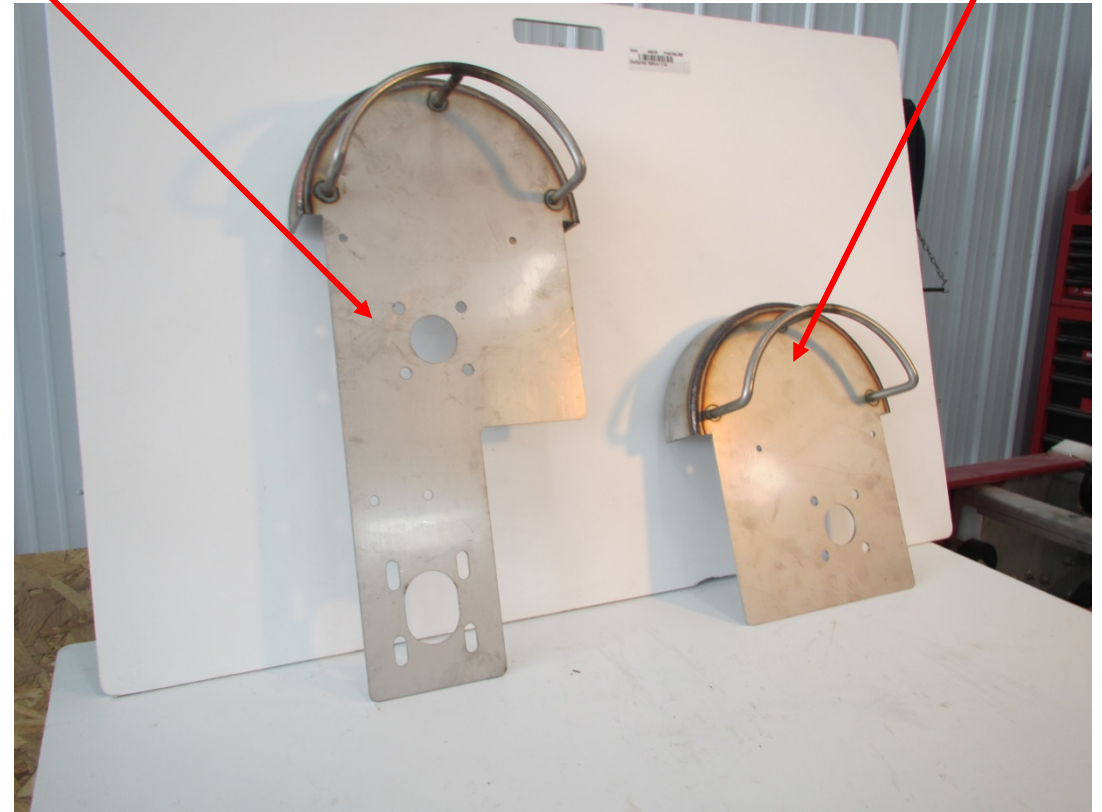

|   | Part Number | Part Description             |
|---|-------------|------------------------------|
| 1 | RC8049      | Sprocket & Chain Guard Cover |

# Head Pulley End Plate

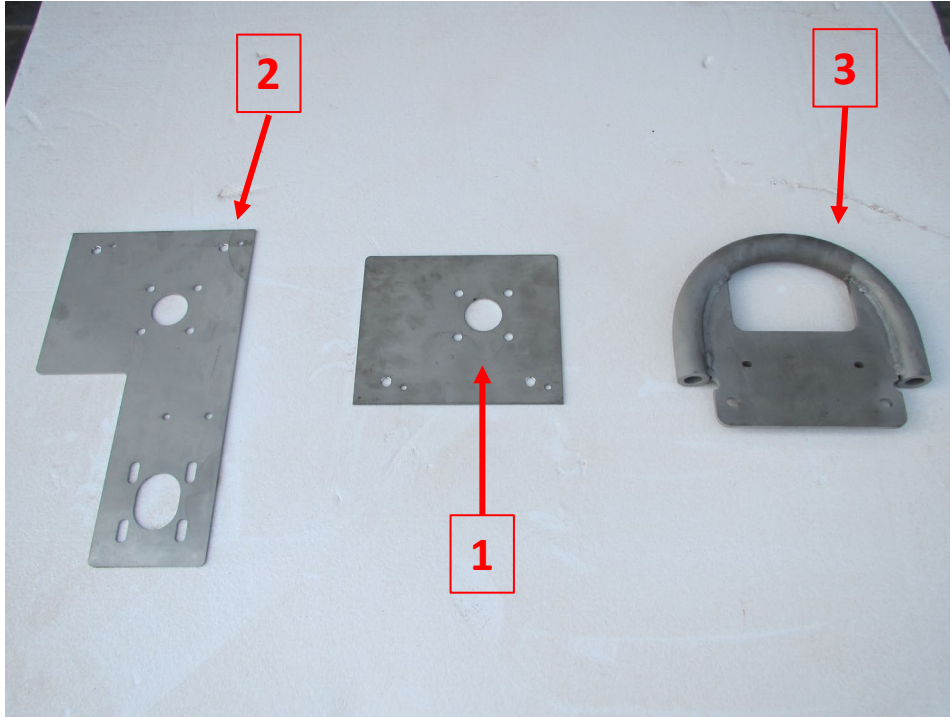

# Head Pulley End Plate

|   | Part Number                | Part Description                 |
|---|----------------------------|----------------------------------|
| 1 | 8012 <i>*DISCONTINUED*</i> | Head Pulley End Plate idle side  |
| 2 | 8013 <i>*DISCONTINUED*</i> | Head Pulley End Plate drive side |

# Head Pulley End Plates and Head Section Handle

|   | Part Number | Part Description                         |
|---|-------------|--|
| 1 | RC8050      | Head Pulley End Plate idle side          |
| 2 | RC8051      | Head Pulley End Plate drive side         |
| 3 | RC8052      | Head Section Handle (drive or idle side) |

# Head Pulley Backer Plate

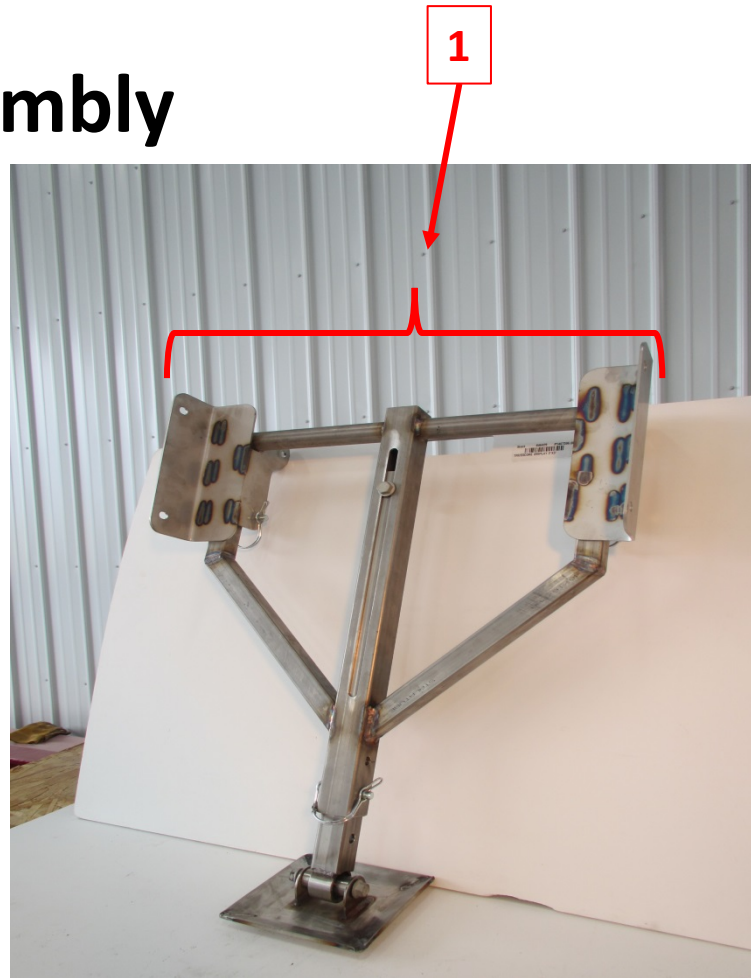

# Head Pulley Backer Plate

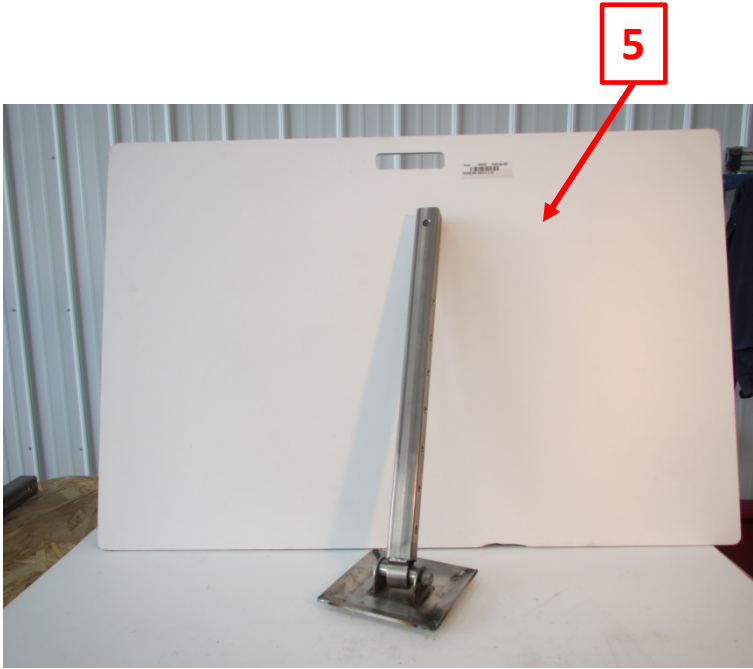

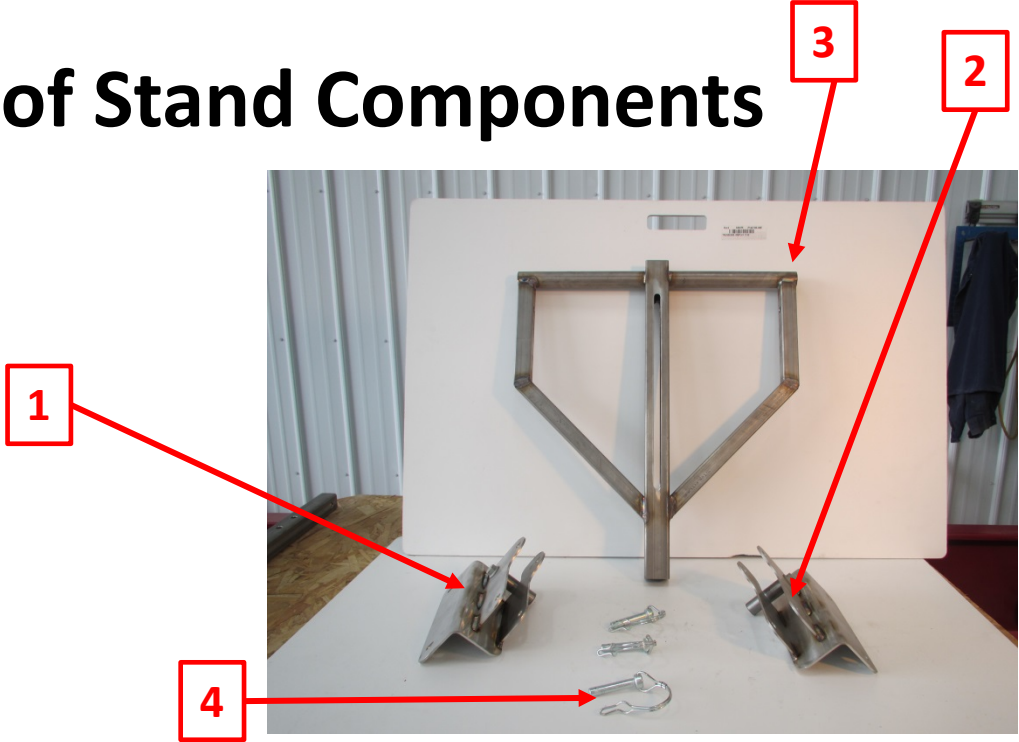

|   | Part Number | Part Description                    |
|---|-------------|-------------------------------------|
| 1 | RC8039      | Head Pulley Backer Plate idle side  |
| 2 | RC8014      | Head Pulley Backer Plate drive side |

# Roof Stand Assembly

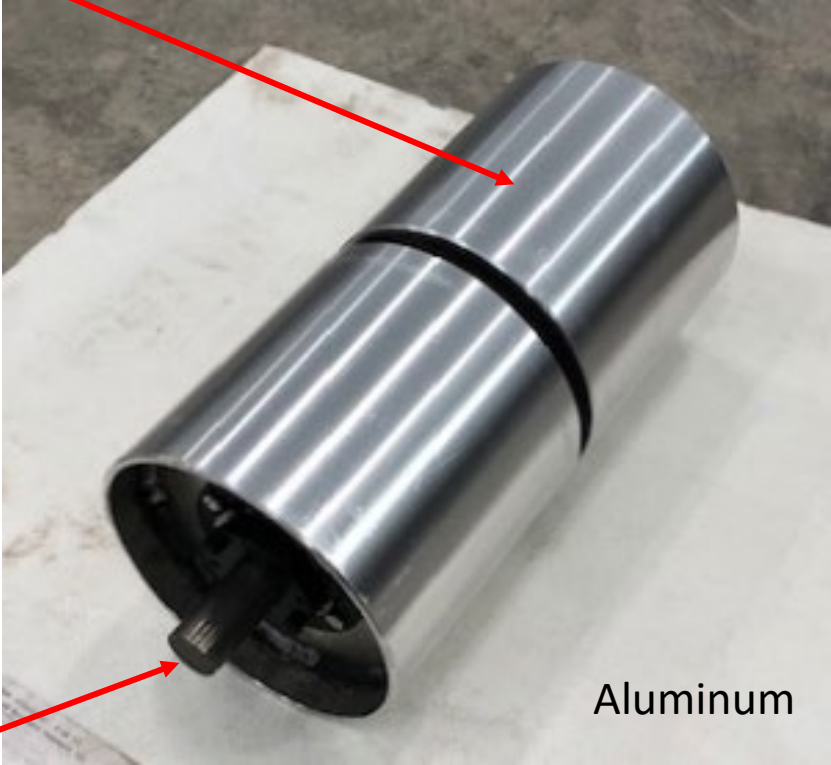

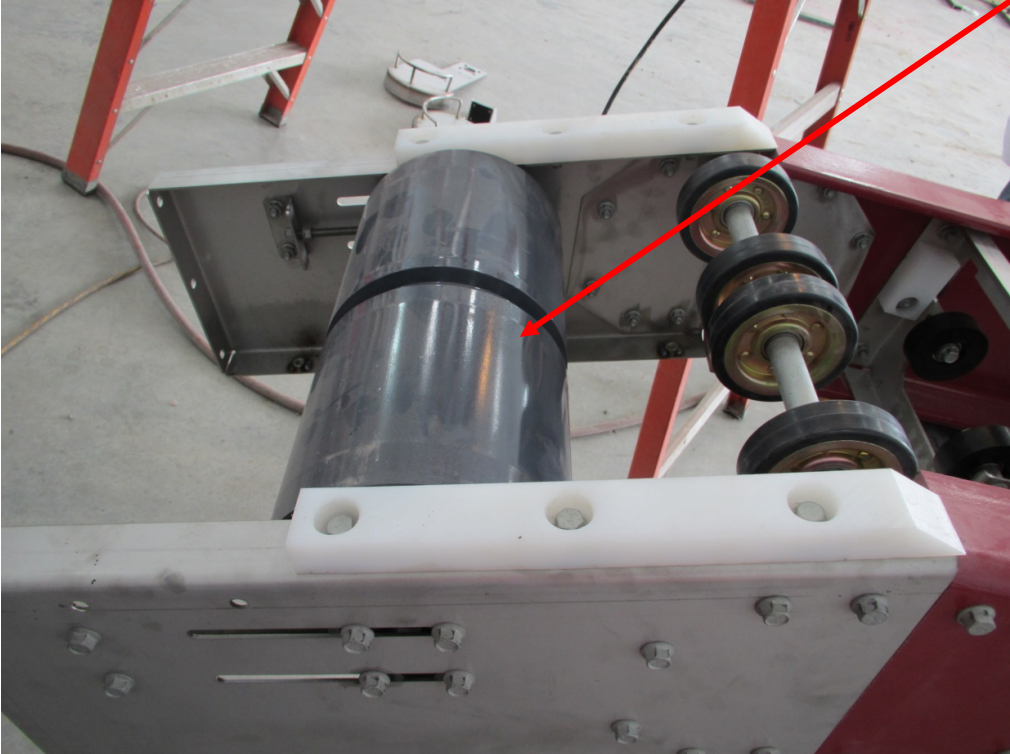

|   | Part Number | Part Description    |
|---|-------------|---------------------|
| 1 | RC8015      | Roof Stand Assembly |

# Roof Stand Components

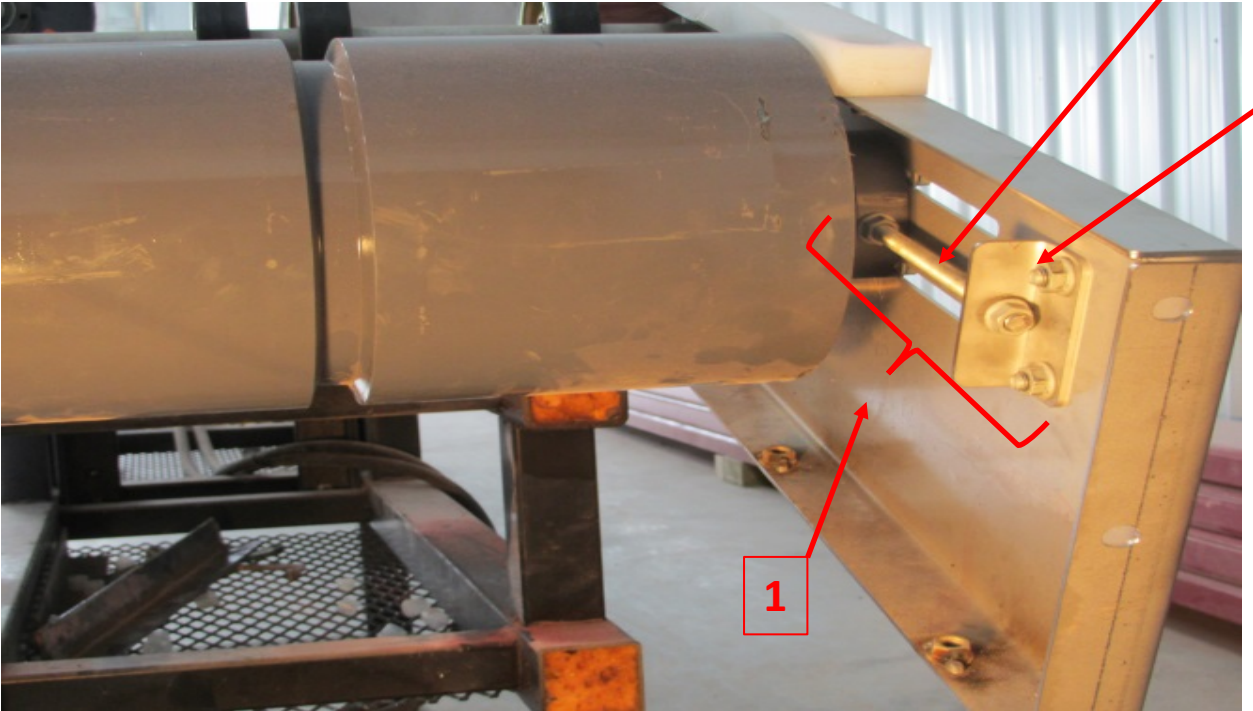

|   | Part Number | Part Description                              |
|---|-------------|---|
| 1 | RC8015-001  | Roof Stand Mounting Bracket drive side        |
| 2 | RC8015-002  | Roof Stand Mounting Bracket idle side         |
| 3 | RC8015-003  | Roof Stand Frame                              |
| 4 | RC8015-007  | Roof Stand Lynch Pin                          |
| 5 | RC8015-008  | Roof Stand Adjustable Leg w/ pivoting footpad |

# Tail Pulley and Shaft

|   | Part Number | Part Description                        |
|---|-------------|---|
| 1 | RC8057      | Tail Pulley                             |
| 2 | RC8057      | Tail Pulley Shaft (not sold separately) |

# Tail Pulley Bearing Adjuster & Bracket

|   | Part Number | Part Description                                  |
|---|-------------|---|
| 1 | RC8030      | Tail Pulley Bearing Adjuster & Bracket Assembly   |
| 2 | RC8030-001  | Tail Pulley B7 adjuster rod full thread 3/8" x 6" |
| 3 | RC8030-002  | Tail Pulley adjuster L bracket                    |

# Tail Section Laser Cut Assembly

|   | <b>Part Number</b> | <b>Part Description</b>                   |
|---|--------------------|---|
| 1 | RC8028             | Tail Section Laser Cut Stainless Assembly |

# Tail Section Nylon Shingle Slide

1

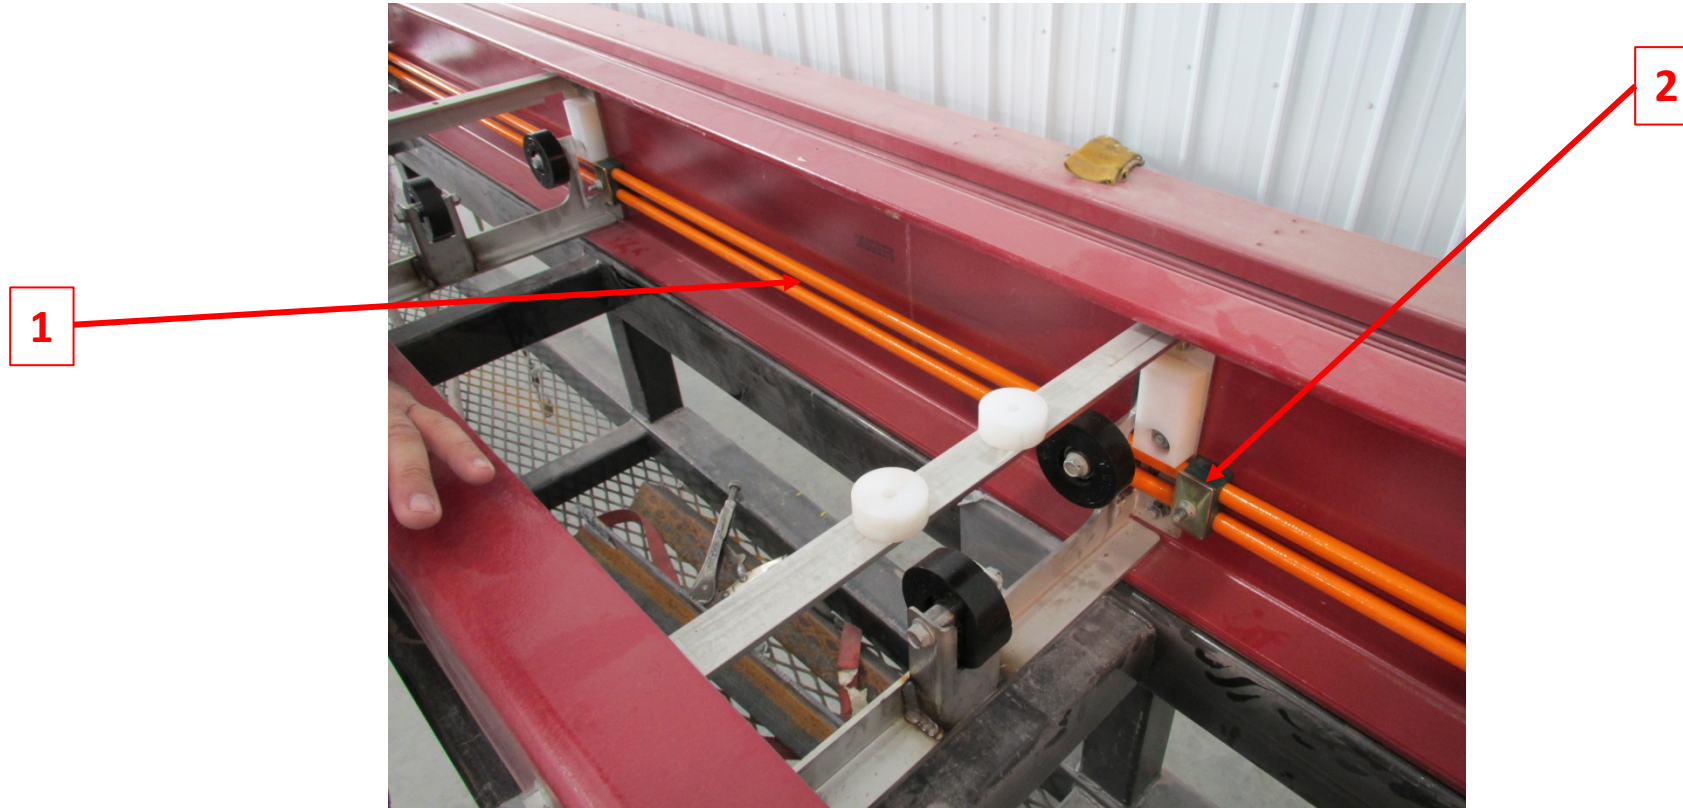

|   | Part Number | Part Description                 |
|---|-------------|----------------------------------|
| 1 | RC8031      | Tail Section Nylon Shingle Slide |

# Hydraulic Emergency Stop (E-Stop) and Handle

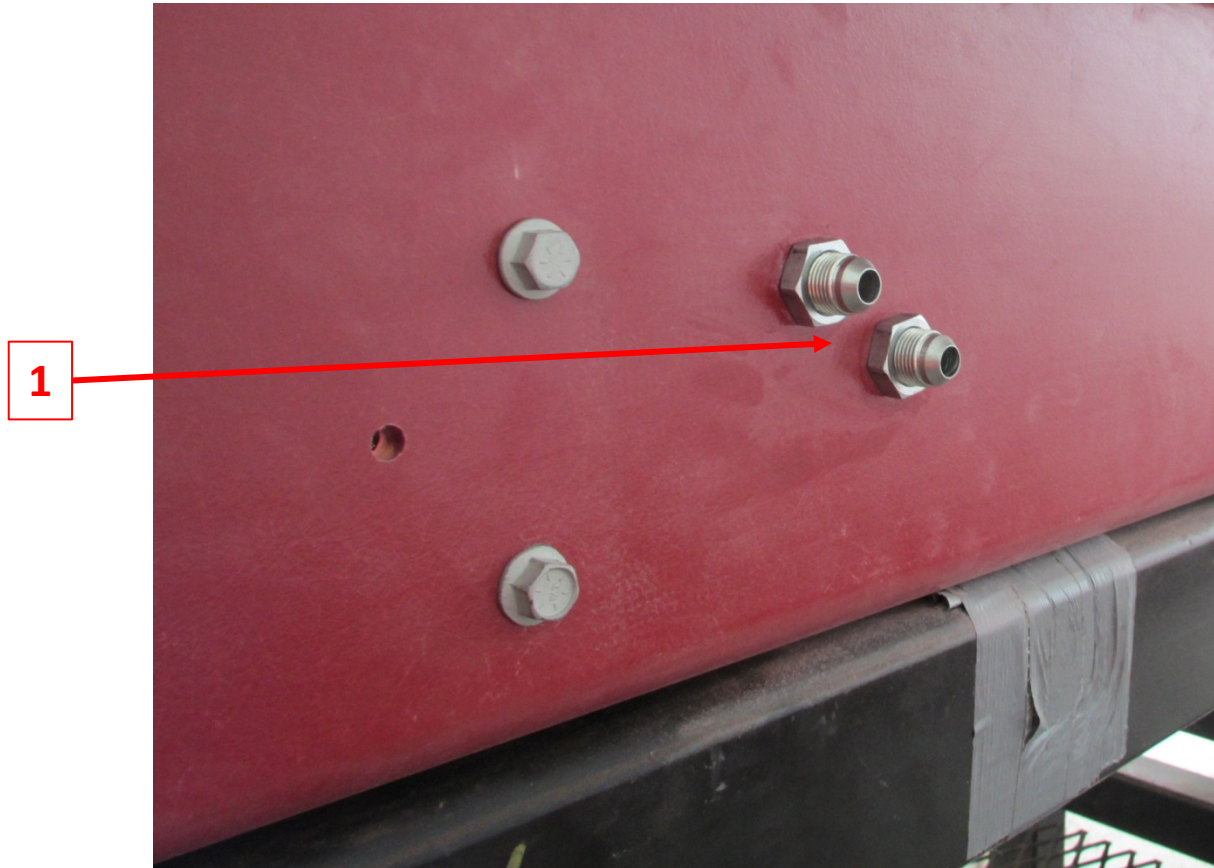

|   | Part Number | Part Description                              |
|---|-------------|---|
| 1 | RC8018      | Hydraulic Emergency Stop w/ fittings (E-Stop) |
| 2 | RC8018-001  | Hydraulic Emergency Stop Handle               |

# Orange Hydraulic Hose

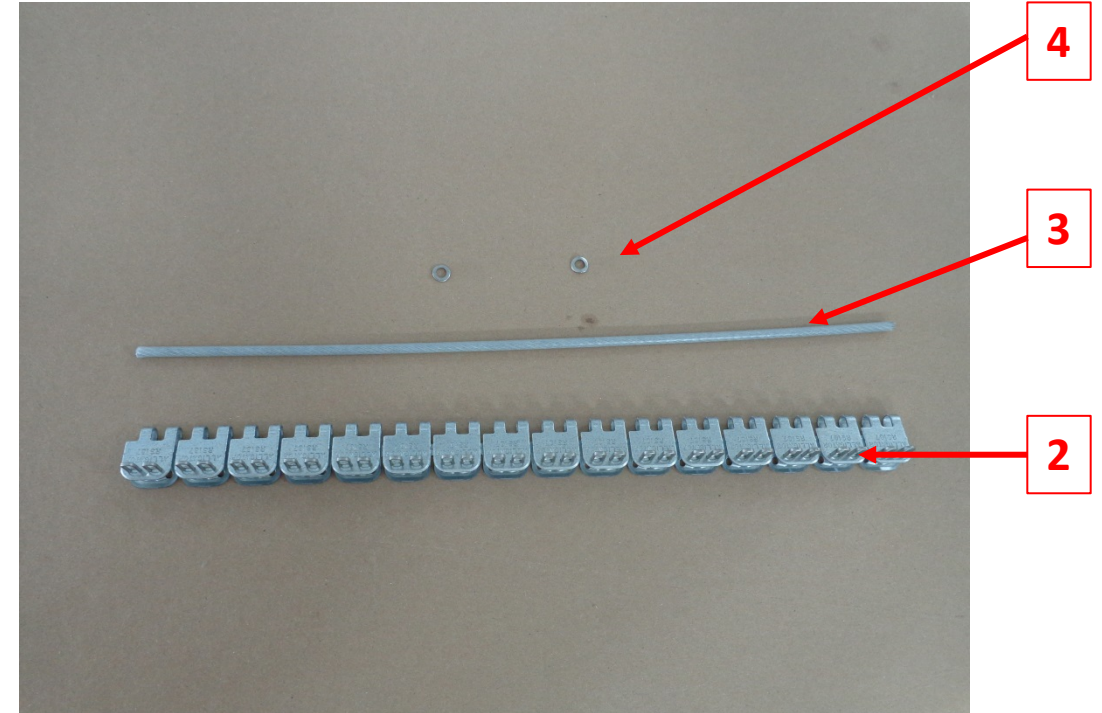

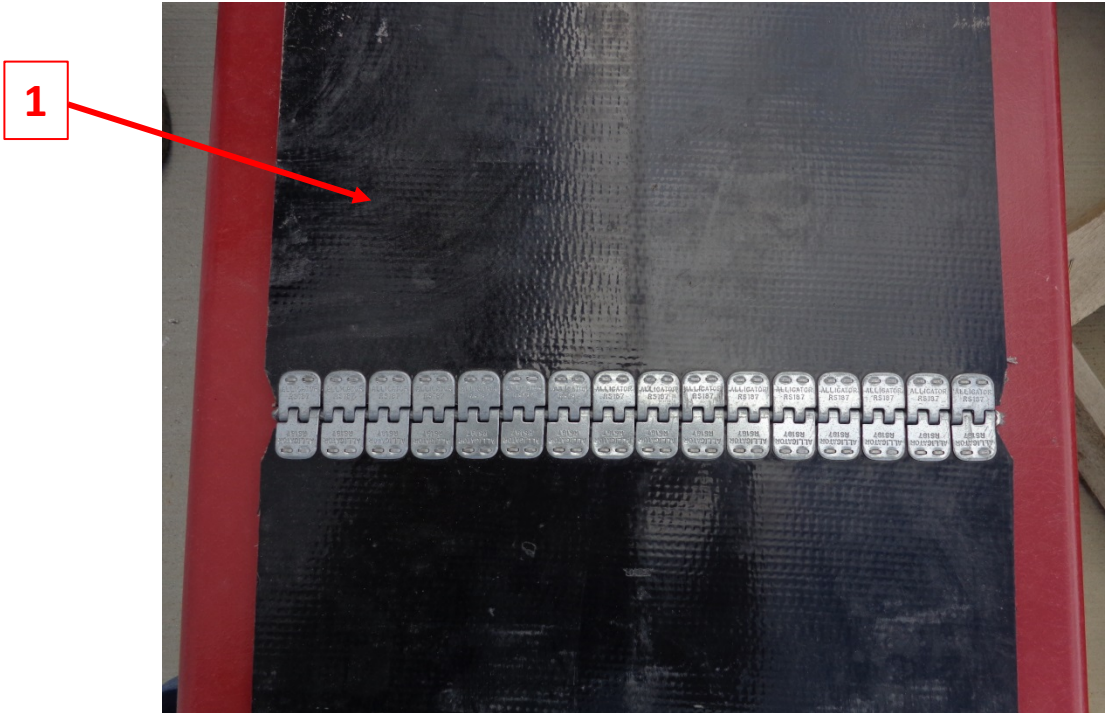

|   | <b>Part Number</b> | <b>Part Description</b>   |
|---|--------------------|---|
| 1 | RC8019             | Orange Hydraulic Hose – Pressure or Return w/ hardware (8019-031 thru 8019-043) |
| 2 | RC8026             | Hydraulic Hose Clamp  |

# Bulk Head Fitting

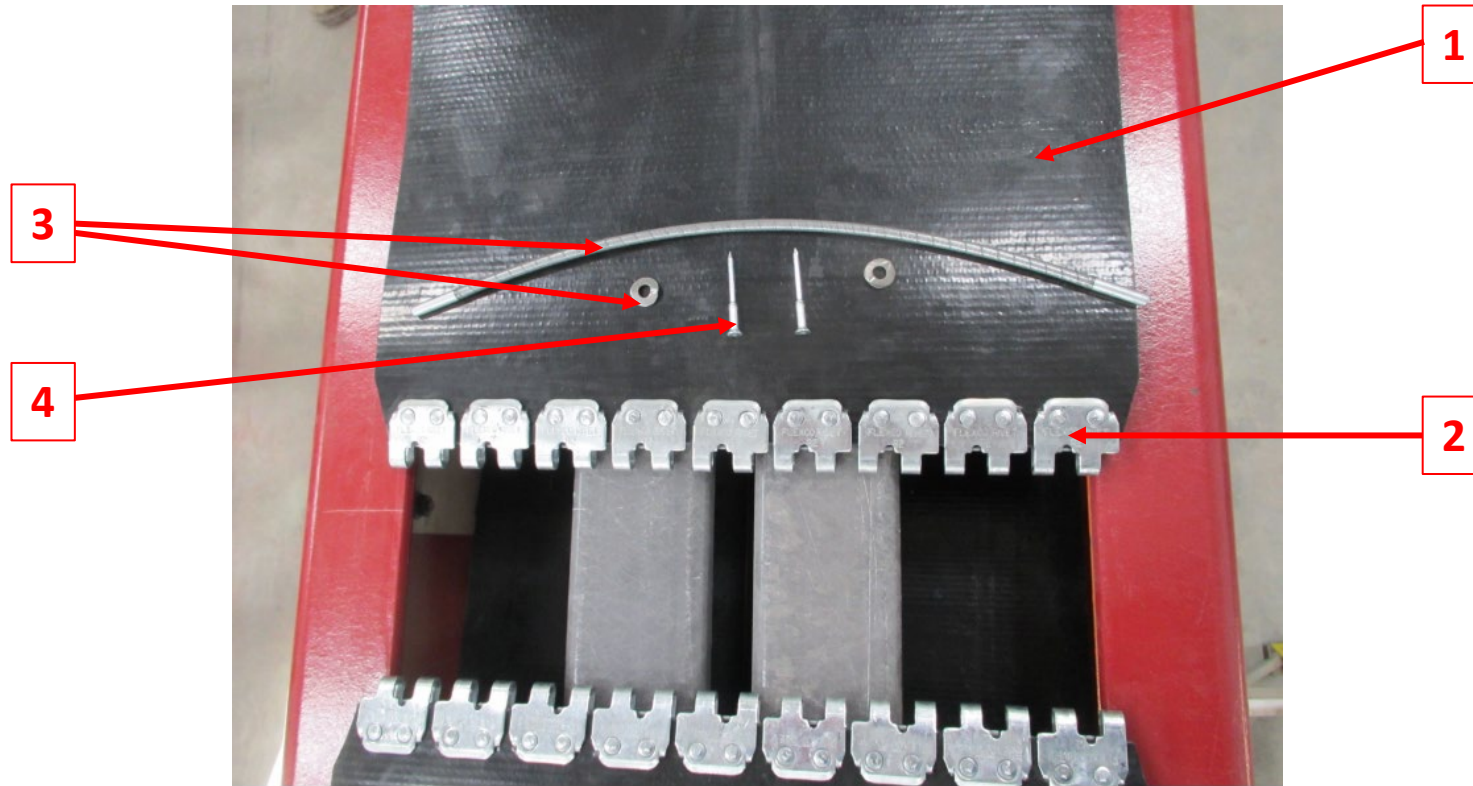

|   | Part Number | Part Description  |
|---|-------------|-------------------|
| 1 | RC8021      | Bulk Head Fitting |

# Belt & Lacing Assembly

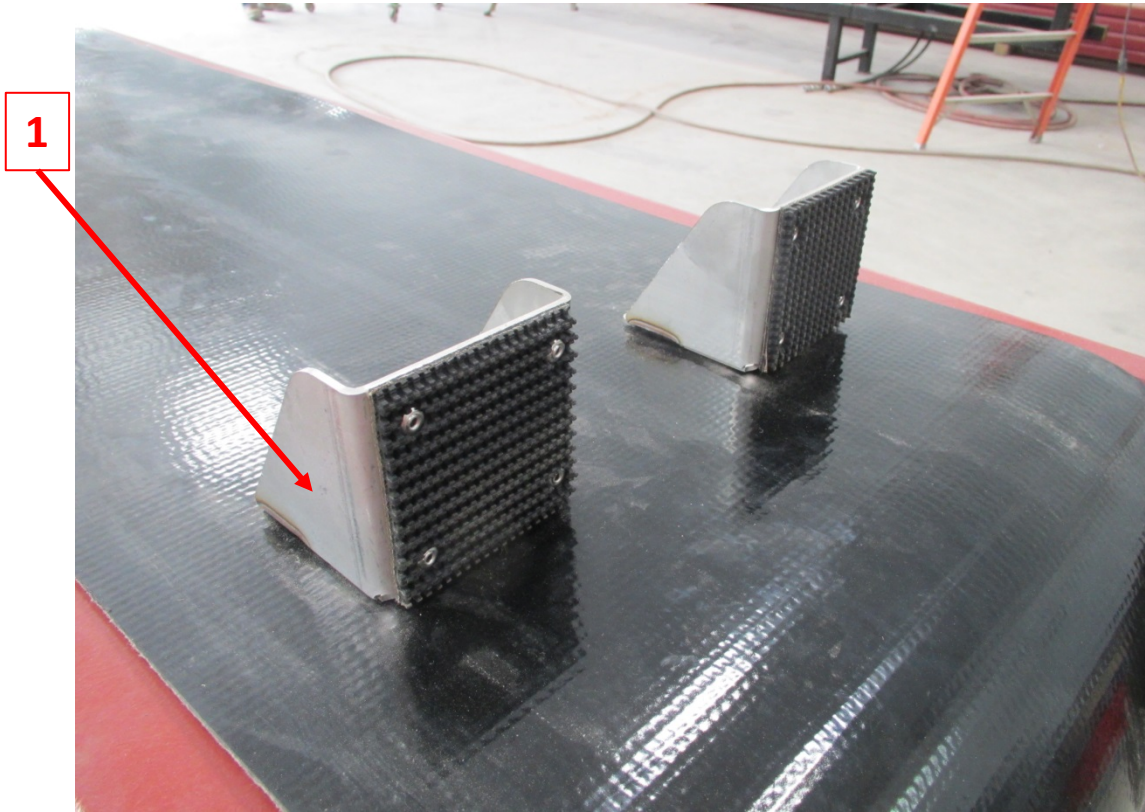

|   | Part Number                | Part Description  |
|---|----------------------------|---|
| 1 | 8023 <i>*DISCONTINUED*</i> | Belt & Lacing PVC Style cover one side (8023-031 thru 8023-043) |
| 2 | RC8041                     | Alligator Clips strip of 16                                     |
| 3 | RC8042                     | Lacing Connecting Cable 16" w/ washers                          |
| 4 | 8043 <i>*DISCONTINUED*</i> | Retainer Washer   |

# Belt & Lacing Assembly

|   | Part Number | Part Description  |
|---|-------------|---|
| 1 | RC8053      | Belt & Lacing PVC style cover by cover (8053-031 thru 8053-043) |
| 2 | RC8046      | R2 Alligator Clips 2 strips of 9 (pkg of 18)                    |
| 3 | RC8047      | R2 Lacing Connecting Cable 16" and Washers                      |
| 4 | RC8048      | R2 Rivets (pkg of 18)   |

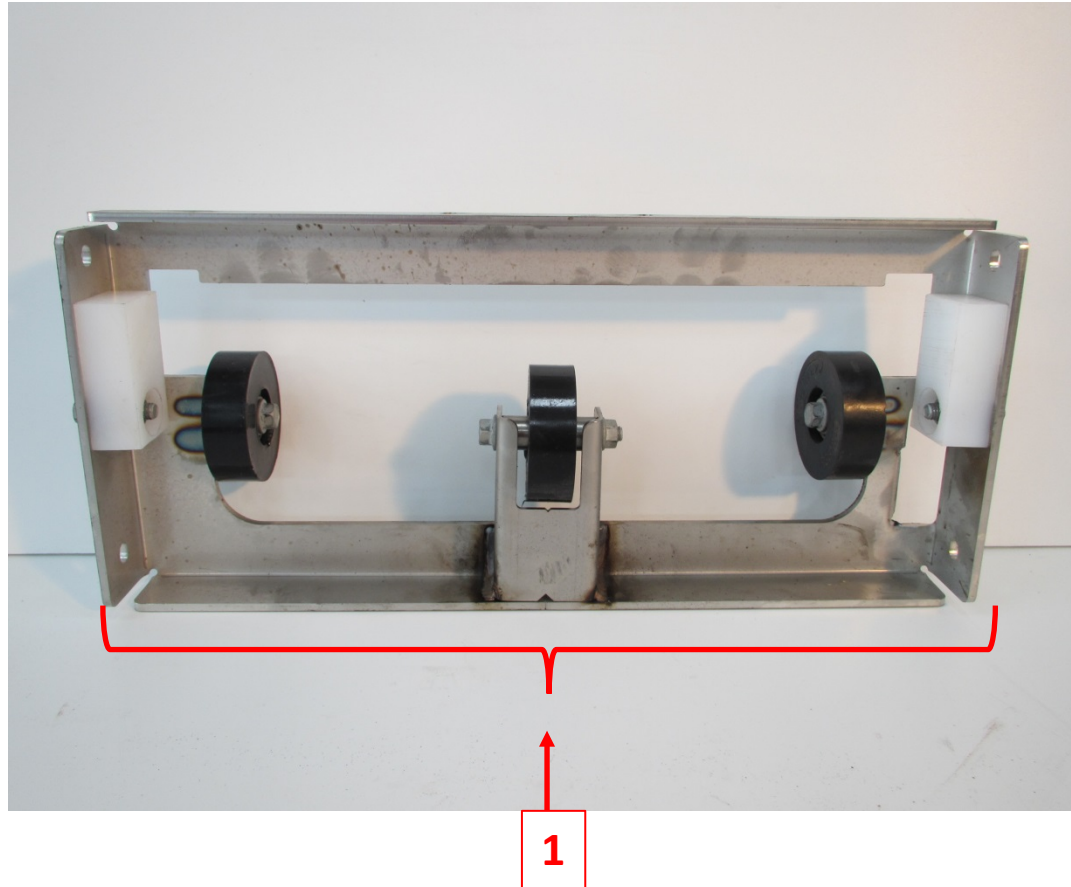

# Paddle w/Grip Pad & Hardware

|   | Part Number | Part Description             |
|---|-------------|------------------------------|
| 1 | RC8024      | Paddle w/Grip Pad & Hardware |

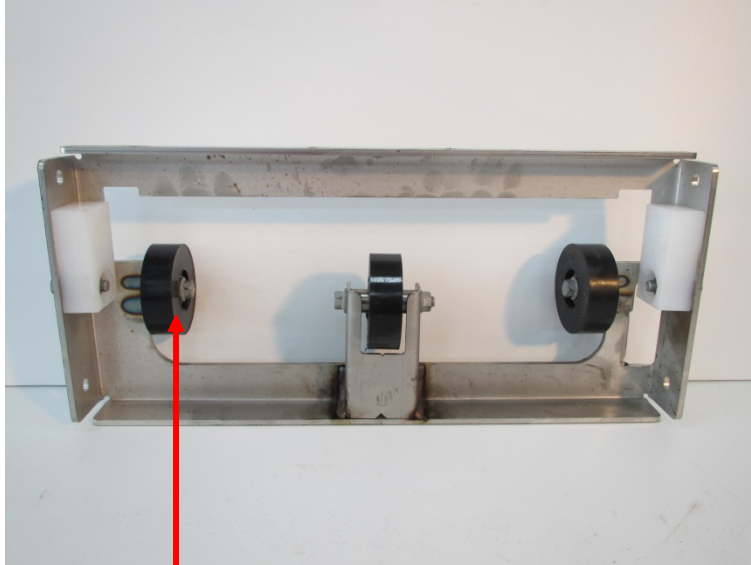

# Cross Support Assembly

1

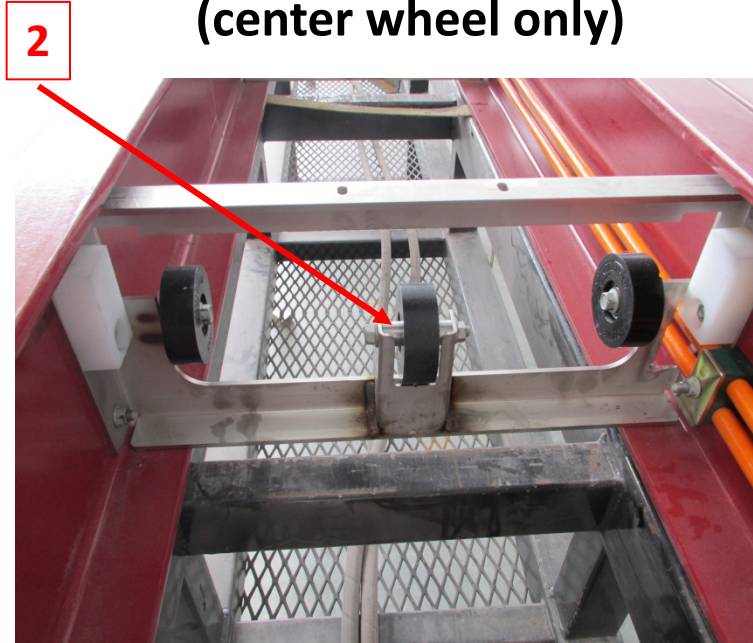

|   | Part Number | Part Description                            |
|---|-------------|---|
| 1 | RC8029      | Cross Support Assembly w/ mounting hardware |

# Roller Support Shaft Assembly

|   | Part Number | Part Description                            |
|---|-------------|---|
| 1 | RC8032      | Roller Support Shaft Assembly               |
| 2 | RC8032-001  | Roller Support Shaft Wheel                  |
| 3 | RC8032-002  | Roller Support Shaft                        |
| 4 | RC8032-003  | Roller Support Shaft Spacer kit (5 per kit) |

# Cradle Backer Plate

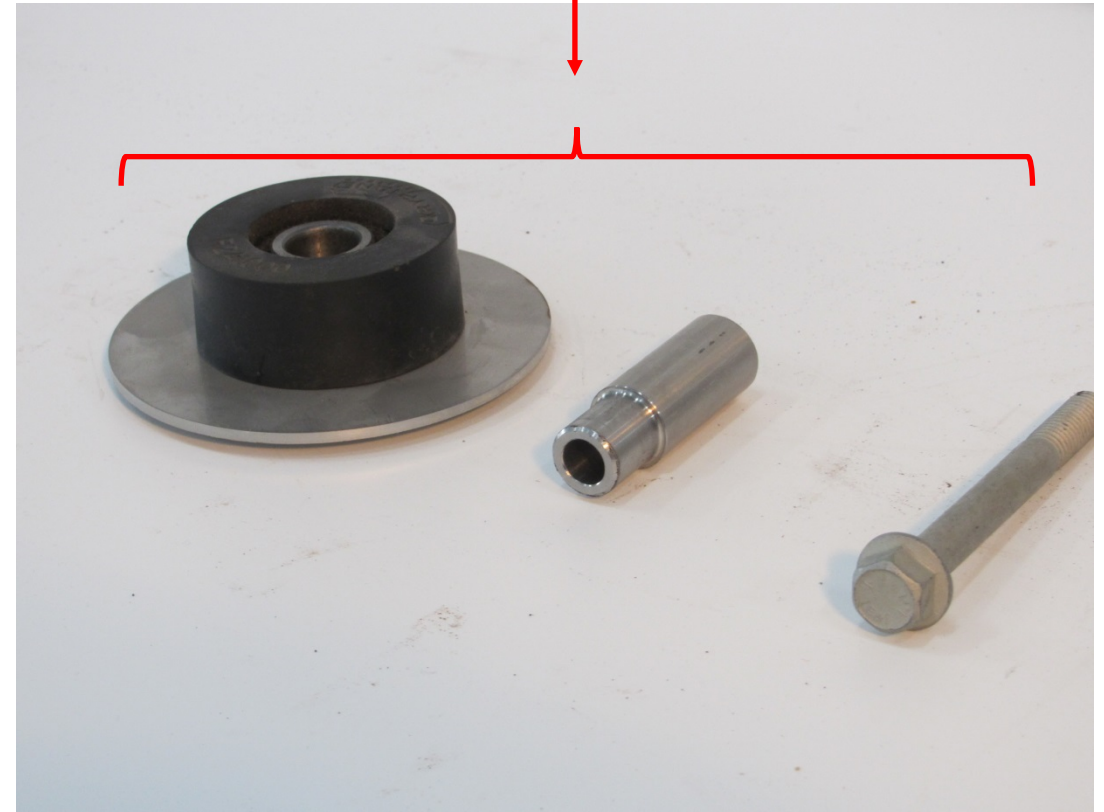

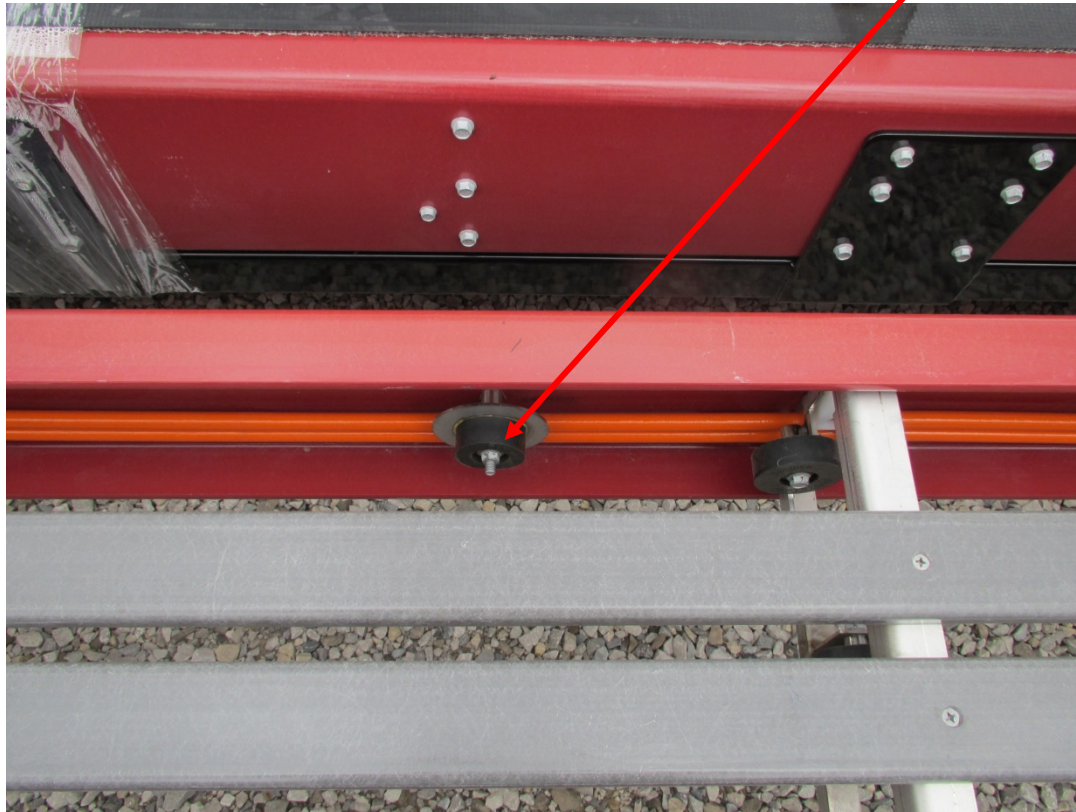

|   | Part Number | Part Description                              |
|---|-------------|---|
| 1 | RC8033      | Cradle Backer Plate 12ga. 201 stainless steel |

# Conveyor Support Angle stainless steel

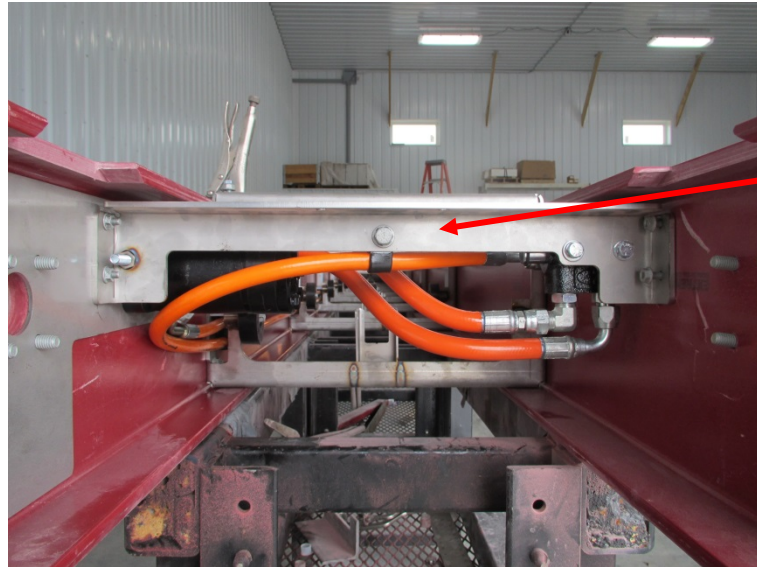

|   | Part Number | Part Description                       |
|---|-------------|--|
| 1 | RC8034      | Conveyor Support Angle stainless steel |

# Flange Roller Assembly

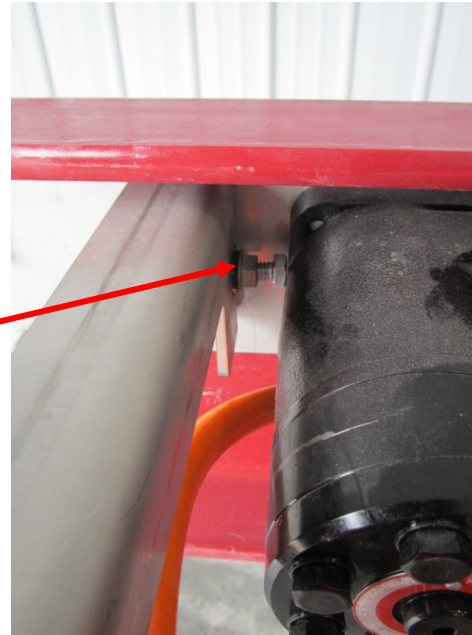

|   | Part Number | Part Description                                |
|---|-------------|---|
| 1 | RC8035      | Flange Roller Assembly w/hardware (return side) |

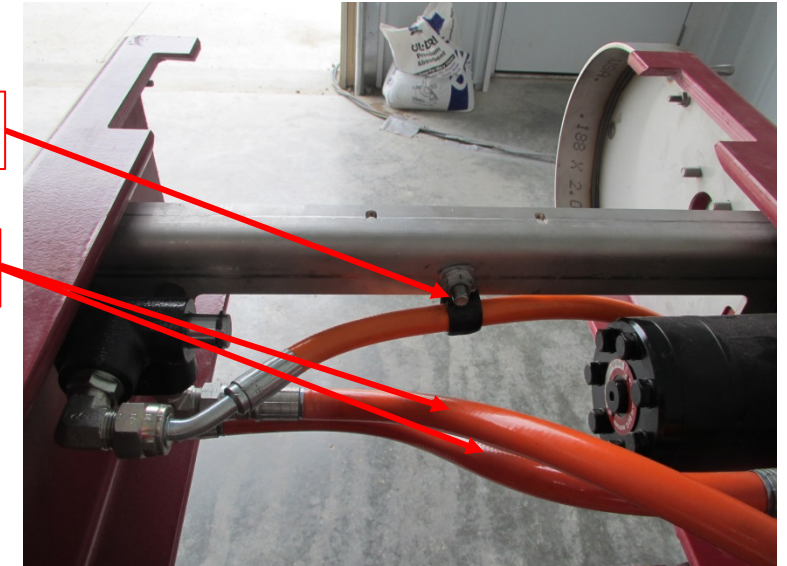

## Support Bracket for E-Stop & Motor adjuster

## Hydraulic Motor adjuster bolt

## Loom clamp & hose

|   | Part Number | Part Description                            |
|---|-------------|---|
| 1 | RC8036      | Support Bracket for E-Stop & Motor adjuster |
| 2 | RC8037      | Hydraulic Motor adjuster bolt               |
| 3 | RC8038      | Loom clamp                                  |
| 4 | RC8044      | Hose for E-Stop and Hydraulic Motor         |
